

## UNSTOPPABLE UK NU-METALCORE CREW DETAIL NEW EP & SINGLE!

Hotly tipped heavyweights, **COBER MOUTH**, will unveil their ferocious new EP, *Untethered*, on Friday 6<sup>th</sup> September. The diverse metallers will also reveal their brand new single and video, *Beneath The Hydrogen*, out everywhere on Friday 5<sup>th</sup> July.

COBER MOUTH are a highly accomplished Bristol-based nu metal/metalcore quartet with key influences spanning from *Architects*, *Northlane*, and *Slipknot*, through to *Incubus* and *Knocked Loose*. The band emit deeply drenched grooves, ball-busting riffs, chaotic metal energy and vocal lines that will draw in and mesmerise anyone within earshot. Arriving on the scene in 2019, the Brit bruisers feature Adam Jones (Vocals, Guitars, Bass, Drums, Synths, Samples), Dylan Plenty (Drums, Vocals), Lewis Cunningham (Guitar, Vocals), and Sam Windsor (Bass, Synths, Samples, and Vocals). Within

months of their live debut, COBER MOUTH headlined a sold out show at the Thekla in Bristol, battled their way to the final of **Bloodstock M2TM** and **MicroDog** competitions, and secured a booking to support the likes of *Lastelle*, *Osiah* and *Drip Fed Empire*. With a loyal following and fanbase in tow, they quickly became known as a live force of perpetual brutality, and this hearty reputation only expanded with the release of their self-titled debut album which landed last year. The album has amassed strong streaming numbers and has helped elevate the band to stunning new heights.

The burly four piece are now set to go again with their engrossing new EP, *Untethered*, which is loaded with biting riffs, powerful diversity, unabashed venom, and stomping refrains. Adam Jones comments about the record: “*It’s an EP that explores the depths of human emotion and experience. Each track immerses listeners in themes of inner turmoil, personal battles, and the relentless quest for understanding and redemption.*”

With an action-packed year still ahead of them, COBER MOUTH have arrived, and will undoubtedly leave their mark on proceedings.

*‘Untethered’ track listing: 1) Untethered, 2) Beneath The Hydrogen, 3) They’re Only There For Their Food and Then They’re There For Their Food, 4) All, I Created, 5) Open! Shut...*
